Since the population of retired people is gradually increasing, the expertise, skill and time of the elders should be put to good use. Recently, Prime Minister has introduced 'Anubhav' which showcases outstanding work done by the retiring employee that contributed to the efficiency, economy and effectiveness in Government functioning. He further stated that over a period of time this will create a wealth of information, institutional memory and innovative ideas and will motivate employees.

He complemented pensioners for the initiatives taken during 'Swachh Bharat Abhiyaan'. He mentioned the Departmental initiatives like Sankalp and Pre-retirement Counselling (PRC) workshops launched for the benefit of retiring people. Aadhaar seeding is not mandatory.
