Facts:

1. The applicant Shri Mukesh Gupta sought information from the CPIO, National Insurance Company Limited, Kota vide RTI application of 19 January 2009 -- enclosed herewith as Annexure A.

2. The CPIO vide his order of 28 January 2009 provided information which failed to satisfy the applicant who preferred appeal dated 25 April 2009 before the first appellate authority which remained unadjudicated.

3. The applicant then moved the Commission in second appeal against the above order. The matter was heard today through videoconferencing. Both parties were present as above.

Decision

4. After hearing both parties the Commission is fully satisfied that complete information has been provided by the respondent to the applicant. Accordingly the case is closed with the observation that the appellant has wasted the time of the Commission and caused unnecessary strain on scarce resources by moving in second appeal in spite of having received full and complete information as sought through his RTI application. Commission also observes that the appellant has tried to seek information on new issues during the hearing which is not as per
the provisions of the Act. He is directed to act with greater responsibility in future. Respondent has offered to provide the same through a gesture which represents their commitment to transparency.
