* These are Advanced Programs in Public Procurement. All other programs are of Basic level. Normally, the officers who have already undergone Basic Program in Public Procurement in past should only be nominated for Advanced Programs.
The National Institute of Financial Management (NIFM) is a Centre of Excellence specializing in capacity building of professionals in the fields of Public Policy, Financial Management and other governance issues for promoting highest standards of professional competence and practice. NIFM is a premier resource center for the capacity building of senior, middle and entry level of management in Government of India. NIFM also caters to the training needs of State Governments, Defence establishments, Banks, Autonomous Bodies, Local Government, Public Sector Undertakings and other Financial Institutions. Training Programmes are customized and executed for the officials from other countries as well. NIFM plays a pivotal role in governance and administrative reforms by providing a platform for interaction and exchange of ideas and experiences among officers from different organized services, different state governments and personnel of civil and defence establishments. Apart from capacity building, NIFM is also engaged in research studies in the areas of accounting, audit, financial management, parliamentary financial control and other issues related to public policy and delivery systems. The outcomes of such research studies are published and disseminated through Research Papers, Journals and Books. NIFM has a sprawling, lush, green campus of forty two acres situated in Faridabad, N.C.R. It has state-of-art training halls, computer labs, hostels, indoor and outdoor sports complex and library having unique architectural design.

About this course

Large amount of public funds are being spent on public procurement for which specific rules and procedures have been framed. It is imperative that the executives/officers engaged in public procurement possess thorough knowledge of all the relevant rules, regulations and procedures of public procurement.

Ministry of Finance, Government of India identified NIFM as the nodal agency for conducting training programmes on this subject with a view to educating and familiarizing the concerned executives/officers with all the relevant rules and procedures of public procurement. NIFM receives active support from Public Procurement Division of Ministry of Finance, Government of India in this regard. NIFM has been conducting such training programmes periodically since 1996.
Pedagogy and Faculty

NIIFM offers very high quality training solutions for all types of Public Procurement of Goods, Works and Consulting Services. The institute has vast intellectual resources to meet the ever increasing demand of building Public Procurement capacity. Training modules and Session Plans have been carefully designed to cover both the theories and practices of Public Procurement with case studies, group discussions etc. The faculty comprises academics of NIIFM and leading experts who have about four decade's experience in various areas of Public Procurement, including policy formulation. Many are currently engaged as senior consultants/advisers/trainers in various organizations like the World Bank, Government departments, Competition Commission and consulting firms.

• **About this course**

Public procurement comprises almost 25-30% of the government expenditure in developing economies and India is no exception. Officials dealing with procurement therefore need to be equipped with specialized knowledge so that they are able to take judicious decisions when dealing with tenders and contracts. This course has been developed in consultation with the Ministry of Finance, Government of India, and is intended to help officials to design effective bidding documents, evaluate and finalize tenders optimally, and effectively deal with post contract matters. The course aims to provide officials with advanced knowledge of procurement matters like dealing with imports, tackling anti competitive trade practices, understanding the nuances of large scale EPC contracts, exposure to PPPs, sustainable procurement practices, appreciating international best practices, and learning about the arbitration procedures.
Pedagogy and Faculty

NIFM offers very high quality training solutions for all types of Public Procurement of Goods, Works and Consulting Services. The institute has vast intellectual resources to meet the increasing demand of capacity building of procurement officials.
