Dear Sir,

**Master Circular - Priority Sector Lending-Targets and Classification**

The Reserve Bank of India has, from time to time, issued a number of guidelines/instructions/directives to banks on Priority Sector Lending. In order to enable the banks to have current instructions at one place, a Master Circular incorporating the existing guidelines/instructions/directives on the subject has been prepared and enclosed. This Master Circular consolidates all the circulars/mail box clarifications issued by Reserve Bank on the subject up to June 30, 2013 as indicated in the Appendix.

2. Please acknowledge receipt.

Yours faithfully,

(A. Udgata)
Principal Chief General Manager
Encl: As above
Introduction

At a meeting of the National Credit Council held in July 1968, it was emphasised that commercial banks should increase their involvement in the financing of priority sectors, viz., agriculture and small scale industries. The description of the priority sectors was later formalised in 1972 on the basis of the report submitted by the Informal Study Group on Statistics relating to advances to the Priority Sectors constituted by the Reserve Bank in May 1971. On the basis of this report, the Reserve Bank prescribed a modified return for reporting priority sector advances and certain guidelines were issued in this connection indicating the scope of the items to be included under the various categories of priority sector. Although initially there was no specific target fixed in respect of priority sector lending, in November 1974 the banks were advised to raise the share of these sectors in their aggregate advances to the level of 33 1/3 percent by March 1979.

At a meeting of the Union Finance Minister with the Chief Executive Officers of public sector banks held in March 1980, it was agreed that banks should aim at raising the proportion of their advances to priority sector to 40 percent by March 1985. Subsequently, on the basis of the recommendations of the Working Group on the Modalities of Implementation of Priority Sector Lending and the Twenty Point Economic Programme by Banks (Chairman: Dr. K. S. Krishnaswamy), all commercial banks were advised to achieve the target of priority sector lending at 40 percent of aggregate bank advances by 1985. Sub-targets were also specified for lending to agriculture and the weaker sections within the priority sector. Since then, there have been several changes in the scope of priority sector lending and the targets and sub-targets applicable to various bank groups.

The guidelines were last revised in the year 2007 based on the recommendations made in September 2005 by the Internal Working Group of the RBI (Chairman: Shri C. S. Murthy). The Sub-Committee of the Central Board of the Reserve Bank (Chairman: Shri Y. H. Malegam) constituted to study issues and concerns in the Micro Finance institutions (MFI) sector, inter alia, had recommended review of the guidelines on priority sector lending.

Accordingly, Reserve Bank of India in August 2011 set up a Committee to re-examine the existing classification and suggest revised guidelines with regard to Priority Sector lending classification and related issues (Chairman: M V Nair). The recommendations of the
committee were placed in the public domain inviting public comments. The
recommendations of the Committee were examined based on the interface with various
stakeholders and in the light of the comments / suggestions received from Government of
India, banks, financial institutions, Non-Banking Financial Companies, Associations of
industries, public and Indian Banks’ Association; and revised guidelines were issued on July
20, 2012 in supersession of guidelines mentioned in the master circular on priority sector
lending dated July 2, 2012.

The revised guidelines are operational with effect from July 20, 2012. The priority sector
loans sanctioned under the guidelines issued prior to this date will continue to be classified
under priority sector till maturity/renewal.

I. Categories under priority sector

(i) Agriculture
(ii) Micro and Small Enterprises
(iii) Education
(iv) Housing
(v) Export Credit
(vi) Others

The eligible activities under the above categories are specified in paragraph III

II. Targets /Sub-targets for Priority sector

(i) The targets and sub-targets set under priority sector lending for domestic and foreign
banks operating in India are furnished below:

<table>
<thead>
<tr>
<th>Categories</th>
<th>Domestic commercial banks / Foreign banks with 20 and above branches</th>
<th>Foreign banks with less than 20 branches</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total Sector</td>
<td>Priority</td>
<td></td>
</tr>
<tr>
<td></td>
<td>40 percent of Adjusted Net Bank Credit [ANBC defined in sub paragraph (iii) below] or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher.</td>
<td>32 percent of ANBC or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher.</td>
</tr>
<tr>
<td>Total agriculture</td>
<td>18 percent of ANBC or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher.</td>
<td>No specific target. Forms part of total priority sector target.</td>
</tr>
</tbody>
</table>
Of this, indirect lending in excess of 4.5% of ANBC or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher, will not be reckoned for computing achievement under 18 percent target. However, all agricultural loans under the categories 'direct' and 'indirect' will be reckoned in computing achievement under the overall priority sector target of 40 percent of ANBC or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher.

Micro & Small Enterprises (MSE)

(i) Advances to micro and small enterprises sector will be reckoned in computing achievement under the overall priority sector target of 40 percent of ANBC or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher.

(ii) 40 percent of total advances to micro and small enterprises sector should go to Micro (manufacturing) enterprises having investment in plant and machinery up to Rs.10 lakh and micro (service) enterprises having investment in equipment up to Rs. 4 lakh.

(iii) 20 percent of total advances to micro and small enterprises sector should go to Micro (manufacturing) enterprises with investment in plant and machinery above Rs.10 lakh and up to Rs.25 lakh, and micro (service) enterprises with investment in equipment above Rs.4 lakh and up to Rs.10 lakh.

Export Credit

Export credit is not a separate category. Export credit to eligible activities under agriculture and MSE will be reckoned for priority sector lending under respective categories.

Advances to Weaker Sections

10 percent of ANBC or credit equivalent amount of Off-Balance Sheet Exposure, whichever is higher.

(ii) For foreign banks with 20 and above branches, priority sector targets and sub-targets have to be achieved within a maximum period of five years starting from April 1, 2013 and ending on March 31, 2018 as per the action plans submitted by them as approved by RBI. Any subsequent reference to these banks in the circular, will be in accordance to the approved plans.

(iii) The current year’s targets for priority sectors and sub-targets will be computed based on Adjusted Net Bank Credit (ANBC) or credit equivalent of Off-Balance Sheet Exposures of preceding March 31st. The outstanding priority sector loans as on March 31st of the current
year will be reckoned for achievement of priority sector targets and sub-targets. For the purpose of priority sector lending, ANBC denotes the outstanding Bank Credit in India [(As prescribed in item No.VI of Form ‘A’ (Special Return as on March 31\textsuperscript{st}) under Section 42 (2) of the RBI Act, 1934)] minus bills rediscounted with RBI and other approved Financial Institutions plus permitted non SLR bonds/debentures in Held to Maturity (HTM) category plus other investments eligible to be treated as part of priority sector lending (eg. investments in securitised assets). Deposits placed by banks with NABARD/SIDBI/NHB, as the case may be, in lieu of non-achievement of priority sector lending targets/sub-targets, though shown under Schedule 8 – 'Investments' in the Balance Sheet at item I (vi) – 'Others', will not be reckoned for ANBC computation. For the purpose of calculation of credit equivalent of off-balance sheet exposures, banks may be guided by the master circular on exposure norms issued by our Department of Banking Operations and Development.

* For the purpose of priority sector only. Banks should not deduct / net any amount like provisions, accrued interest, etc. from NBC.

*It has been observed that some banks are subtracting prudential write off at Corporate/Head Office level while reporting Bank Credit as above. In such cases it must be ensured that bank credit to priority sector and all other sub-sectors so written off should also be subtracted category wise from priority sector and sub-target achievement.*

*All types of loans, investments or any other item which are treated as eligible for classifications under priority sector target/sub-target achievement should also form part of Adjusted Net Bank Credit.*

(iv) The targets for Micro Enterprises within the Micro and Small Enterprises segment (MSE) will be computed with reference to the outstanding credit to MSE as on preceding March 31\textsuperscript{st}.
