OFFICE MEMORANDUM

Subject: Probation in various Central Services

The undersigned is directed to invite attention to para 3(iii) of this Department’s O.M. No. 21011/2/80-Estt(C), dated 19.5.1983 under which there will be no promotion for a person promoted from one grade to another within the same service, except where the promotion involves a change in the Group of posts in the same service. It was subsequently clarified vide this Department’s O.M. No. 21011/3/83-Estt(C) dated 24.2.84 that the provision of para 3(iii) of O.M. of 19.5.83 is primarily intended for organized services. The distinction between an organized service and isolated posts for purpose of probation for promotions was made because it was felt that the posts included in a service have generally identifiable and specified functions and at each level the subject matter dealt with is the same, though there is a difference in the level of responsibilities. The matter has been re-examined in this Department and it has been found that even in the case of isolated posts unless the qualifications prescribed and the nature of functions are strictly related, the method of promotion is not being prescribed in the Recruitment Rules. A group of related isolated posts have also identifiable and specified functions and generally there is only difference in the level of responsibility rather than in the nature of duties performed at different levels. It has, therefore, been decided to consult the Union Public Service Commission that the provision of para 3(iii) of O.M. dated 19.5.83 referred to above will also be applicable to isolated posts.
