OFFICE MEMORANDUM

Subject: Continuous empanelment of private hospitals and Diagnostic Centres under CGHS

With a view to ensuring comprehensive health care to CGHS beneficiaries, CGHS has been, apart from the Government Hospitals, empanelling private hospitals and diagnostic centres by floating tenders periodically. The latest tender process in this context commenced in the second half of 2009. Even the already empanelled hospitals / diagnostic centres under CGHS were required to submit the bids under this tender process. Through this process, package rates for different treatment procedures and investigations have been notified in 2010. As a part of this process, certain hospitals and diagnostic centres which have accepted these rates and also signed MOAs with CGHS have also been notified in some of the CGHS cities.

2. However, it has been noticed that the number of hospitals and diagnostic centres notified in some cities through the current tender process is not adequate to provide a satisfactory level of healthcare to CGHS beneficiaries in all areas in these cities. Also, there has been no or little response in certain other cities, with the result a situation has arisen where CGHS is not in a position to provide to its beneficiaries the requisite healthcare due to lack of adequate number of hospitals and diagnostic centres in different cities.

3. Accordingly, it has become necessary to introduce ‘Continuous Empanelment Scheme’, under which more hospitals and diagnostic centres could be empanelled to take care of inadequacy in the current tender process. In this background, it has been decided to invite hospitals and diagnostic centres to come forward and apply for empanelment under CGHS if they are willing to fulfill the same terms and conditions and accept the rates notified by CGHS in the latest tender process.

4. The continuous empanelment scheme will not cover, for the present, the following cities, as the tender process initiated in these cities is yet to be completed:

   (i) Bhopal,
   (ii) Bhubaneswar,
