CSS CADRE TRAINING PLAN
13th LEVEL 'E' TRAINING PROGRAMME
PROGRAMME BROUCHER
4th October to 12th November, 2010

I. Background

Government of India had constituted a Committee of senior officers on 22nd August 2001 to finalise a detailed cadre training plan for CSS officers working at various levels. The committee submitted its report in 2005. One of the main recommendations of the committee is to conduct mandatory training programmes for CSS officers up to the level of Deputy Secretaries. Training programmes will not be simply participatory, but every officer is required to successfully complete the training programme, so as to become eligible for consideration for promotion to the next higher post. The recommendations made by the committee have been accepted by the Government and ISTM has been mandated to implement the recommendations of the committee as accepted by the Government.

II. Level 'E' Training Programme

The level 'E' training programme is for Under Secretaries who have rendered five years' approved service in the grade. The CS Division in DoPT would nominate these Under Secretaries who are likely to be in the zone of consideration for promotion to the selection grade of CSS (Deputy Secretary).

Participation in and successful completion of training is mandatory for the purpose of consideration for promotion to the selection grade of CSS (Deputy Secretary).

III. Aim of the Programme

Level 'E' training programme aims at updating the knowledge and skills of the target group on the latest concepts, approaches, etc. and to develop their skills and competencies necessary for shouldering the higher responsibilities.

IV. Programme Design & Duration of the Programme

The duration of the training shall be six weeks. The programme design consists of two components namely:

(a) In-house class room inputs/activities [4 Weeks]

b) Overseas Training / exposure [2 Weeks]

All components are compulsory and no exemption shall be granted to any participants. Evaluation is carried out for all the components individually and participants has to clear/pass in all the components for qualifying the course.
VI  Programme Methodology
1. Level E training programme for the Under Secretaries will be run on highly participative mode. Experiential learning and learning by doing will be the main features of the programme. They will send their preferences prior to the programme as explained in Para VII (2) below, which will be used by the faculty to make group assignments. The participants will work on their group assignments during the programme and produce a comprehensive policy analysis report. They will also present their analysis in front of other participants and the faculty members.

2. Opportunity will also be provided to examine and discuss the latest legislative initiatives of the Government of India in the social and economic sector.

3. Overseas training for about 2 weeks is planned to enable the officers to get exposure to the new trends in Public Administration and emerging concepts in management, governance and organizational developments. They will be given first hand experience on execution, monitoring and evaluation process of successful projects and share the experiences of other countries for replication.

4. Class room sessions will be conducted to update their knowledge and skills. The academic sessions will normally be taken by ISTM faculty-members
and external faculty/experts. Some eminent speakers will also be invited to interact with the participants as deemed fit by Director, ISTM.

VII Public Policy Analysis Project
