However for “Clean Credit i.e. credit given by a foreign supplier to its Indian customer/ buyer, without any Letter of Credit (Suppliers’ Credit) / Letter of Undertaking (Buyers’ Credit) / Fixed Deposits from any Indian financial institution for import of rough, cut and polished diamonds, precious and semi-precious stones, may be permitted for a period not exceeding 180 days from the date of shipment.”

(b) AD Category – I banks should ensure that due diligence is undertaken and Know Your Customer (KYC) norms and Anti-Money Laundering (AML) guidelines, issued by the Reserve Bank are adhered to while undertaking import of the precious metals and rough, cut and polished diamonds. Further, any large or abnormal increase in the volume of business should be closely examined to ensure that the transactions are bonafide and are not intended for interest / currency arbitrage.

C.12.2. Import of Platinum / Silver on Unfixed Price Basis

The nominated agency/bank may allow import of platinum and silver, on outright purchase basis subject to the condition that although ownership of the same shall be passed on to the importers at the time of import itself, the price shall be fixed later as and when the importer sells to the user.

C.13. Import Factoring

(i) AD Category – I bank may enter into arrangements with international factoring companies of repute, preferably members of Factors Chain International, without the approval of Reserve Bank.

(ii) They will have to ensure compliance with the extant foreign exchange directions relating to imports, Foreign Trade Policy in force and any other guidelines/directives issued by Reserve Bank in this regard.

C.14. Merchanting Trade

C.14.1. For a trade to be classified as Merchanting Trade following conditions should be satisfied:

a. Goods acquired should not enter the Domestic Tariff Area, and

b. The state of the goods should not undergo any transformation.
C.14.2. AD Category – I bank may handle bonafide Merchanting Trade Transactions and ensure that:

(a) Goods involved in the transactions are permitted for export / import under the prevailing Foreign Trade Policy (FTP) of India as on the date of shipment and all the rules, regulations and directions applicable to export (except Export Declaration Form) and import (except Bill of Entry) are complied with for the export leg and import leg, respectively,

(b) Both the legs of a Merchanting Trade Transaction are routed through the same AD bank. The bank should verify the documents like invoice, packing list, transport documents and insurance documents (if originals are not available, non-negotiable copies duly authenticated by the bank handling documents may be taken) and satisfy itself about the genuineness of the trade.

(c) The entire Merchanting Trade Transactions should be completed within an overall period of nine months and there should not be any outlay of foreign exchange beyond four months.

(d) The commencement of Merchanting Trade would be the date of shipment / export leg receipt or import leg payment, whichever is first. The completion date would be the date of shipment / export leg receipt or import leg payment, whichever is the last;

(e) Short-term credit either by way of suppliers' credit or buyers' credit will be available for Merchanting Trade Transactions, to the extent not backed by advance remittance for the export leg, including the discounting of export leg LC by an AD bank, as in the case of import transactions ;

(f) In case advance against the export leg is received by the Merchanting Trader, AD bank should ensure that the same is earmarked for making payment for the respective import leg. However, AD bank may allow short-term deployment of such funds for the intervening period in an interest bearing account;

(g) Merchanting Traders may be allowed to make advance payment for the import leg on demand made by the overseas seller. In case where inward remittance from the overseas buyer is not received before the outward remittance to the overseas supplier, AD bank may handle such transactions by providing facility based on commercial judgement. It may, however, be ensured that any such advance
payment for the import leg beyond USD 200,000/- per transaction, should be made against Bank Guarantee / LC from an international bank of repute, except in cases and to the extent where payment for export leg has been received in advance;

(h) Letter of Credit to the supplier is permitted against confirmed export order keeping in view the outlay and completion of the transaction within nine months;

(i) Payment for import leg may also be allowed to be made out of the balances in Exchange Earners Foreign Currency Account (EEFC) of the Merchant Trader.

(j) AD bank should ensure one-to-one matching in case of each Merchanting Trade transaction and report defaults in any leg by the traders to the concerned Regional Office of RBI, on half yearly basis within 15 days from the close of each half year, i.e. June and December.

(k) Defaulting Merchanting Traders, whose outstandings reach 5% of their annual export earnings, would be caution-listed.

(l) The KYC and AML guidelines should be observed by the AD bank while handling such transactions.

Merchanting Traders have to be genuine traders of goods and not mere financial intermediaries. Confirmed orders have to be received by them from the overseas buyers. AD banks should satisfy themselves about the capabilities of the Merchanting Trader to perform the obligations under the order. The overall Merchanting Trade should result in reasonable profits to the Merchanting Trader.

C.14.3. Merchanting trade to Nepal and Bhutan

As Nepal and Bhutan are landlocked countries, there is a facility of transit trade whereby goods are imported from third countries by Nepal and Bhutan through India under the cover of Customs Transit Declarations in terms of the Government of India Treaty of Transit with these two countries. In consultation with Government of India, it is clarified herein that goods consigned to the importers of Nepal and Bhutan from third countries under merchanting trade from India would qualify as traffic-in-transit, if the goods are otherwise compliant with the provisions of the India-Nepal Treaty of Transit and Indo-Bhutan Treaty of Transit respectively.
C.15. **Processing of import related payments through Online Payment Gateway Service Providers (OPGSPs)**

AD Category-I banks have been permitted to offer facility of payment for imports of goods and software of value not exceeding USD 2,000 by entering into standing arrangements with the OPGSPs subject to the following:-

   (iv) bank charges
